

Opening of AFM/SEM Laboratory

Lecture hall CH1, Faculty of Science, Hlavova 8, Praha 2
on December 11th, 2024 at 14:00

To officially open the new AFM/SEM laboratory at the faculty, we will have a program of presentations followed by an open discussion and a tour of the new facility.

Confirmed Speakers:

- Matt Field OBE, British Ambassador to the Czech Republic
- Pavel Doleček, Deputy Minister for Science, Research and Innovation
- Prof. Jiří Čejka – Faculty of Science
- Dr. Rastislav Ošťádal - ThermoFischer Scientific (FIB-SEM)
- David Novák- Nenovision (in-situ AFM)
- Prof. Russell Morris FRS, University of St Andrews

All are welcome!
